Income and Earnings Disclaimer

You and you alone, are responsible for any income you make or fail to make. This guide makes no promises of realized income, ranking placement within search engines, or any type of success whatsoever. You recognize and agree that the author has made no implications, warranties, promises, suggestions, projections, representations or guarantees whatsoever to you about future prospects or earnings, or that you will earn any money, with respect to your purchase of this e book, and that the Author has not authorized any such projection, promise, or representation by others. Any earnings or income statements, or any earnings or income examples, are only estimates of what we think you could possibly earn. There is no assurance you will do as well as stated in any examples. If you rely upon any figures provided, you must accept the entire risk of not doing as well as the information provided. This applies whether the earnings or income examples are monetary in nature or pertain to advertising credits which may be earned (whether such credits are convertible to cash or not). There is no assurance that any prior successes or past results as to earnings or income (whether monetary or advertising credits, whether convertible to cash or not) will apply, nor can any prior successes be used, as an indication of your future success or results from any of the information, content, or strategies. Any and all claims or representations as to income or earnings (whether monetary or advertising credits, whether convertible to cash or not) are not to be considered as "average earnings".
